The Direct Debit Guarantee

This is a guarantee provided by your own Bank as a member of the Direct Debit scheme, in which banks and Originators of Direct Debits participate. If you authorize payment by direct debit then:

Your Direct Debit Originator will notify you in advance of the amounts to be debited to your account.

Your bank will accept and pay such debits, provided that your account has sufficient available funds.

If it is established that an unauthorised Direct Debit was charged to your account, you are guaranteed a prompt refund by your bank of the amount so charged.

You can cancel the Direct Debit Instruction in good time by writing to your bank.

Note: Banks and Building Societies may refuse to pay direct debits from some types of savings accounts.
