About Women's Aid

Women's Aid is a national, feminist organisation working to prevent and address the impact of domestic violence and abuse, including coercive control. We do this by advocating, influencing, training, and campaigning for effective responses to reduce the scale and impacts of domestic abuse on women and children and providing high quality, specialised, integrated, support services.

Women's Aid Values

To achieve our purpose and vision of zero tolerance of domestic abuse and all forms of violence against women Women's Aid:

- Acts with **courage** to boldly challenge patriarchal systems, structures, and attitudes in all aspect of our work.

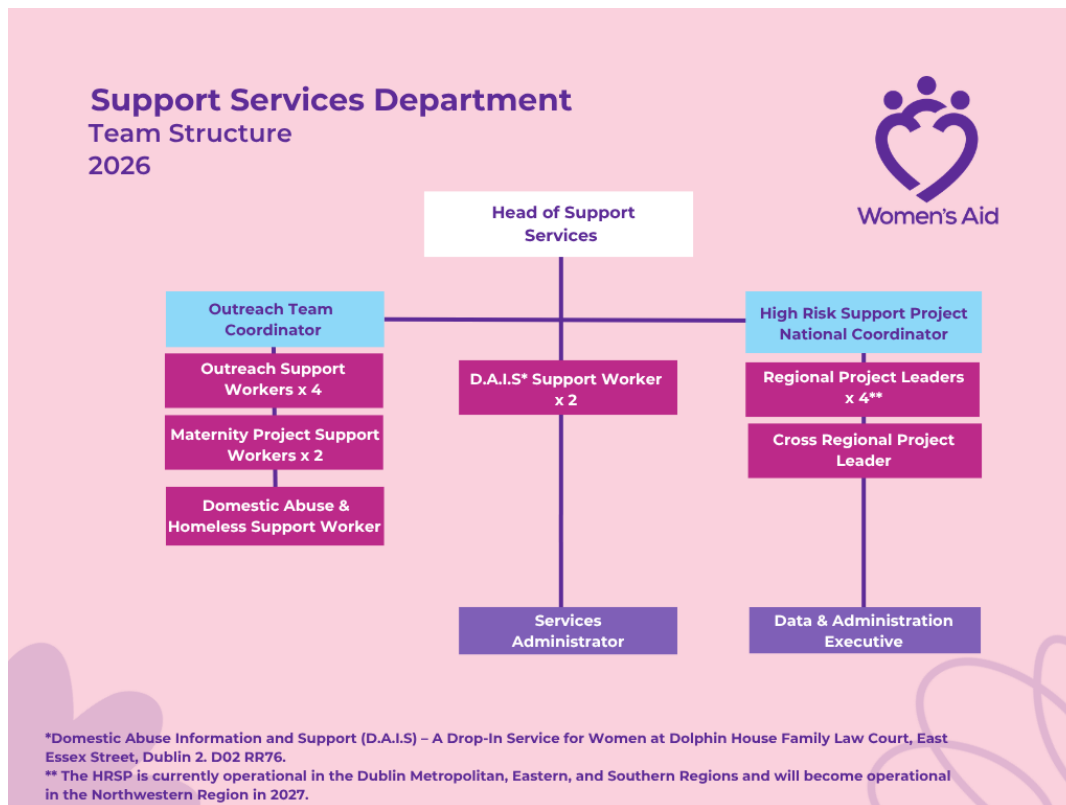

- Works in **co-operation** to share knowledge, skills, and expertise to achieve shared goals and improve responses to domestic violence and abuse.
- Strives to embed **inclusivity**, diversity, and accessibility across all our work.
- Supports the **empowerment** of women to exercise agency on their own behalf as a right, whatever their circumstances.
- Believes that achieving **equality** in status, rights and opportunities for all women is essential to address the causes and consequences of domestic violence and abuse.
- Works to achieve positive **change** for everyone through a combination of individual, community-based and social action.

Our vision is an equal Ireland with zero tolerance of all forms of violence against women, including domestic abuse. For more information read our [current Strategic Plan](#).

About the High Risk Support Project

The High Risk Support Project (HRSP) provides a multi-agency response to women at high risk of ongoing abuse and homicide from their ex-partners. This unique and innovative project is embedded in Women's Aid One to One Support Services. The HRSP has developed, since its initiation in 2013, to operate in 2025 across the Greater Dublin area (Dublin Metropolitan Region, DMR), the Eastern Region (Wicklow, Wexford, Waterford, Meath, Westmeath, Carlow, Kilkenny, Laois, Offaly, Kildare), and the Southern Region (Cork, Clare, Kerry, Limerick and Tipperary), with well-established practices and procedures among key partners. Rollout to the Northwestern Region is planned for early 2027.

Women's Aid partners with An Garda Síochána and local domestic abuse services to deliver a coordinated rapid response system for women and families. The High Risk Support Project supports and empowers women to feel safer and to begin rebuilding their lives free of constant fear. Referrals of appropriate candidates for participation in the HRSP are received from the Gardaí or other domestic abuse services with whom Women's Aid has an established Memorandum of Understanding for this purpose. Women's Aid is generously supported by Cuan, the Domestic, Sexual, and Gender-Based Violence Agency to deliver this project.

Purpose of the Role

Women's Aid is seeking a dynamic and motivated Cross-Regional Project Leader to join our High Risk Support Project on the Support Services Team in 2026. The Cross-Regional Project Leader will provide key support to ensure consistent high-quality service delivery across all regions of national operation, alongside the Regional Project Leaders on the team. This role has a primary focus on supporting service delivery in the Dublin Metropolitan Region, and contributing flexibly across other regions as required. The Cross-Regional Project Leader will work with regional Project Leaders to maintain ongoing contact with service users from referral to case closure, and joint case management with our partner agencies in an Garda Síochána and local domestic abuse services.

Duties and Responsibilities

This includes to maintain contact and carry out ongoing risk assessment with service users, and their primary domestic violence support service, from point of referral to case closure, as part of a monthly case management plan.
- To clearly articulate and communicate the policies and procedures of the High Risk Support Project, how the project integrates into women's safety plans, as well as service user criteria and responsibilities to both service users and domestic violence support services.
- To liaise with partner agencies on technical issues as they arise.

- To input all client related data on the E-Safe Database, including in the course of support provision and following updates received from partners in correspondence and at meetings, ensuring adherence to all data collection and entry policies and procedures.
- To contribute to positive collaborative relationships with designated Gardai, including through attendance at Operational Meetings.
- To contribute to positive, collaborative relationships with partner domestic violence services including quarterly meetings and ongoing communication regarding relevant updates for current service users.
- To ensure adherence to protocols for collaborative case management, and contribute to training as required, with gardai and domestic violence services including the referral process, risk assessment, data collection, information sharing, and case closure.
- To participate in a shared annual leave cover roster in co-operation with HRSP Regional Project Leaders to ensure continuity of cover throughout the country at all times (note: this may be cover provided remotely).
- To maintain GDPR and Child Protection Protocols at all times.
- To contribute to regular and accurate quarterly, six monthly and yearly reports and statistics on service activity and impact, including seeking and reporting on service user feedback, and identifying new project trends that may emerge.
- To assist the HRSP National Coordinator to sustain positive relationships with project funders and supporters.
- To provide information and feedback on the presenting needs of service users, to the wider organization.
- Working as part of a small dynamic team a degree of flexibility will be required.

Other Duties:

- Attendance at organisational, team and one to one supervision meetings with Line Manager as scheduled.
- To attend internal and external training and events as required.

- To perform other duties appropriate to the job as may be assigned from time to time by the High Risk Support Project National Coordinator.
- Promote the overall aims and values of Women's Aid.
