

# Block It

## Now you can stop bullying messages with Block It

Mobile phones help us stay connected. But sometimes they can be used for the wrong reasons. People can send mean text, picture or video messages.

This is why we developed Block It. So if you're getting any nasty messages, now you can do something about it.

### How does Block It work?

Block It is easy to set up and use. To get started, just text **BLOCK IT START** to **50216**.

### What types of numbers can I block?

You can block text, picture and video messages from any mobile network.

Just to let you know, you won't be able to block messages from premium rate numbers. To stop these messages, just text back the word **STOP** to the sender.

### How do I block a number?

To block a number, just text the word **BLOCK** and the number to **50216**. This will block all text, picture and video messages from this number.

This also means you won't be able to send any messages to this number.

### How do I unblock a number?

If you want to unblock a number, you simply text **UNBLOCK** and the number to **50216**.

### How do I know which numbers I've blocked?

If you can't remember the numbers you've blocked, don't worry. We'll let you know. Just text **BLOCK IT LIST** to **50216** and we'll send you a list of all your blocked numbers.

### How much does Block It cost?

Block It is totally free. So no matter how many numbers you block, it won't cost you a cent.

### Where can I find out more?
